# **Reading & Listening**

3 a. Read the title of the text and look at the pictures again. What is the text about? Read through and check.

#### Answer Key (Ex. 3a)

The text is about the relationship the writer has with his/her neighbours and what they do that pleases or bothers him/her.

I don't know about 1) *you*, but the way 1 feel about my neighbours depends on the time of year and even the time of day. I'll tell you why.

am a keen gardener but 2) ....... my next-door neighbour has a large dog that loves digging. Every autumn 1 plant bulbs and every spring 1 look 3) ....... to a wonderful display of tulips, daffodils and snowdrops. I'm always disappointed and it really gets me down. I'm sure my neighbour's dog digs the bulbs up and they're 4) ...... given a chance to grow. I haven't

actually seen him do it, 5) ....... I give him the benefit of the doubt. However, the same dog also does me a favour, because if he sees birds trying to eat any seeds I plant, he chases them away immediately. It's because of him that I have such a lovely vegetable patch. So you can see 6) ....... sometimes I love him and at other times I hate him.

Then there's my other neighbour 7) ....... the street. She's a lovely lady who waters my plants when I'm away and generally keeps an eye on things 8) ....... me. Her three teenage children, on the other hand, are another story. They often sit on my garden wall in the evenings with their friends. They usually have chips and soft drinks and they stay there for hours, chatting cheerfully and laughing. It drives me crazy. They make a lot of noise and always leave their empty drink cans and chip papers 9) ......., which really gets on my nerves! I have to go out the next morning and clear away their rubbish. But what can I do? I need to keep on good terms with them because their mother is so good to me.

So, love them or hate them, unless you want to move \$10) ...... it's best to do what 1 do. You should try to get along with your neighbours, even if they annoy you at times.

#### Suggested Answer Key (Writing)

The man that lives next door to us is called Mr Smith. He has been our neighbour for many years and I really think he is a nice person. He always waters our plants and feeds our pet when we are away. However, sometimes, Mr Smith lets his dog bark all night. This drives me crazy because I can't get to sleep, but generally Mr Smith is a good neighbour. I think I am very lucky to live beside him!
